Dear Sirs,

**List of Approved Suppliers of Materials and  
Specialist Contractors for Public Works**

I refer to your letter dated 3 October 1997 and am pleased to inform you that your company has been included in the captioned List under the 'Repair and Restoration of Historic Buildings' category.

Please be advised that fellow subsidiaries of the same holding company, holding and subsidiary companies, which have been admitted to the same works category/categories of the captioned List are each required to produce an undertaking that only one company will submit a tender for a particular contract in respect of the categories concerned. Failure to honour this undertaking will render the tenders null and void.

I should be grateful if you would provide me with the names of any of your fellow subsidiaries, holding and subsidiary companies, which have been included in the captioned List and provide the necessary undertakings if they are included under the same category on or before 8.3.1999. Please indicate clearly in your reply the works categories pertaining to each company. If your company does not have any fellow subsidiaries, holding and subsidiary companies in the List, please confirm accordingly.

You are also required to submit your audited accounts annually and inform this Bureau in writing immediately of any factor which might affect your qualified status. This Bureau reserves the right to review your qualified status in the light of any new information relevant to your qualification.

Yours faithfully,

  
( Neil S.F. FUNG )  
for Secretary for Works
